

About the VASC

LEARN MORE

The Vietnamese American Service is a County facility serving as a one-stop hub for the County's health and human services, facilitating service delivery and client engagement in a culturally competent and language-accessible manner.

The Vietnamese American Service Center (VASC) opened its doors on December 13, 2021 for the Soft Opening. In the first month of operations, the VASC served as a Cold Weather Warming Center, a COVID-19 Mobile Vaccination site, distributed more than 2000 COVID-19 tests, and has officially become the largest Senior Nutrition Program in Santa Clara County, serving 500 meals a day. We will have so much more to offer as County staff continues to finish the second and third floors. Our clients and community members can expect a Valley Health Center Clinic, a Behavioral Health Clinic, Pharmacy, and Dental Clinic at the VASC this spring.
